

ENVIRONMENTAL POLICY STATEMENT OF G.J. Vagg Flooring Ltd.

G.J. Vagg Flooring Ltd (Vagg Flooring) is a Flooring Contractor. This policy applies to the supply & installation of floor coverings both at our head office in Worthing and any other site.

The Director and Staff of G.J. Vagg Flooring Ltd. are aware that our activities interact with the environment and are committed to minimising adverse impacts and improving our working practices and processes. We feel that this Environmental Policy is essential in communicating our commitment to reducing the environmental impact of company activities.

The Company aims to:

- Comply with or exceed applicable environmental laws, regulations and other requirements.
- Review the actual and potential environmental impacts of our activities.
- Strive for continual improvement in environmental performance through setting objectives and targets and monitoring the results.
- Reduce waste and consumption of materials, fuel and energy.
- Identify and manage key risks to reduce and eliminate the production of polluting releases to the environment and have arrangements in place to respond to all foreseeable incidents and emergencies.
- Manage purchasing to continually improve performance.
- Monitor our premises and transport usage to produce optimum efficiency.
- Encourage our employees to meet these requirements and any others relevant to their operations.
- A report will be produced annually to set out progress to stakeholders.

The system will be regularly reviewed to identify areas of improvement.

There is integration of environmental protection issues into the company's decision making process. Appropriate levels of management will, where necessary, define more detailed environmental targets, consistent with this policy. All employees have a duty to contribute to meet the requirements of this Policy by increasing their awareness of the environmental effects of their actions.
